

## Clinical and Community Partnerships

### **The Victoria College ADN**

The Victoria College received a Nursing Innovation Grant (NIG) from the Texas Higher Education Coordinating Board (THECB) for the Certified Clinical Instructor (CCI) Project. The goal of the project is to increase the number of qualified faculty by demonstrating that BSN prepared nurses with a minimum of three years clinical experience can, with two post-graduate nursing education courses, become qualified to teach associate degree nursing students in the clinical setting.

**Approximate cost of implementing and maintaining partnership:** none listed

**Grant monies used:** Yes

**Expected benefits from partnership:**

- increase in qualified clinical faculty
